To be released the week of May 6 to 10, 2019

Valoris: Proud to be a CCA Accredited Organization!

Prescott-Russell, May 1, 2019. – In light of Children's Mental Health Week, Valoris for Children and Adults of Prescott-Russell proudly announces that it has been accredited by the Canadian Centre for Accreditation (CCA) for child and youth mental health services.

This confirms that Valoris' services comply with the best practices used in this field in Canada. It also highlights the high quality of work done by the agency's employees to meet the mental health needs of families in Prescott-Russell.

Receiving services from an accredited organization means:

- A personal and warm approach
- A professional team using proven evaluation tools
- A customized approach that reflects the reality of each individual to achieve set goals
- Services that respect the highest standards of privacy and the rights of individuals.

In recent years, our community has become more aware of the realities of mental health, and more and more people are turning to the available resources in Prescott-Russell. Valoris offers many mental health services to children, youth and their families to support them in their wellness journey. This includes assessments, support and treatment services, available in our service centres and in the community. We also offer evidence-based programs such as Triple P and Communities That Care.

Valoris offers a wide array of social services. Our professionals support people individually, with their family or in a group setting to promote the wellbeing of families, community integration and mental health. For more information on Valoris' services or for support, please call 1 800 675.6168.

For Valoris, this designation represents a promise of the agency's commitment to the excellence of its services. The organization is proud to join other accredited Canadian organizations committed to the highest quality of child and youth mental health services!
